

## 2021 Season

Hello Volleytech Members,

We thank you for your patience as we have been evaluating what is the best course of action for our athletes & coaches with the ever-changing covid-19 protocols.

Securing facilities, participant safety, as well as competition availability has been the determining factors in our discussions and decisions.

We are pleased to announce that we will be starting with 6 teams in mid-January with hopes of expanding to more teams in the Spring. (See Page 2 for details)

Registration for the 6 teams is now open @ <https://www.volleytech.ca/register.html>.

Please act quickly as Registration will close on Sunday December 20<sup>th</sup> @ 6:00 p.m.

**NB:** Please DO NOT pay the \$25 evaluation fee until an evaluation offer is received.

The Registration confirms the athlete's interest in the program.

All registered athletes will not receive an evaluation offer due to the current covid-19 protocols.

Evaluation offers will be sent to the athletes via email by Tuesday, December 22<sup>nd</sup> before 9:00 p.m.

Evaluations are scheduled for Saturday & Sunday January 16<sup>th</sup> & 17<sup>th</sup>. Schedule to be posted in early January.

The 12-week training schedule begins January 23-24<sup>th</sup> thru May 1-2<sup>nd</sup>

Please forward any questions to [info.volleytech@gmail.com](mailto:info.volleytech@gmail.com)

Sincerely,

Steve Kentel  
Executive Director  
Volleytech Volleyball Club  
250-809-4555
