

VVC Parent/Guardian Agreement

Volleytech Volleyball Club Parent/Guardian Agreement The purpose of this document is to clarify expectations for parents/guardians.

We would like to have this form read and signed by both parents (where applicable) and return it to your athletes coach or manager.

1. I will remember that my child plays sport for his/her enjoyment and not for my own.
2. I will support the volunteer Coaches and Manager assigned to my child's team. They have a very challenging job satisfying the needs of 10 - 14 players during the season. I will support and respect them and encourage my child to do the same.
3. Parents will volunteer as part of their role in supporting the team. This may include but is not limited to scorekeeping & line-judging duties, assisting in food organization/preparation.
4. I will encourage my child to do their best at each practice and game, which is as important as winning and making the starting lineup. I will help my child commit to attending every practice and competition that they are able.
5. I will keep negative comments about players, coaches, managers, referees or the Club to myself and address them in a professional manner at an appropriate time with VVC officials and NOT within a 24hr period of its occurrence.
6. I will try to see the positive things that the Coaches, Managers, Club Officials and parents are providing for the Club and the players and mention it to them.
7. I will respect the difficult decisions that coaches have to make, even if I disagree with them. I will allow younger and older coaches to make mistakes. Just like the athletes, coaches need to be given the opportunity to grow and improve within our Club.
8. I understand that volleyball is a team sport where teamwork is critical on and off the court. I will follow and support the club policies that are in place to provide consistency, safety, and clarity for my child, Volleytech Volleyball Club, and myself. I will encourage my child to follow the club policies, and the rules set out by the coaching staff.
9. I understand the coaches will strive towards the goal of each player having 40% - 60% playing time at tournaments and league play leading up to Qualifications and Provincial Championships. I also understand that my child may have limited playing time at Super Series and Provincial Tournaments.
10. I understand that athletes drinking, smoking, using drugs or breaking curfews etc. could result in partial or full suspension from the Club. I agree that parents, coaches, managers, athletes and club officials must also

behave responsibly at tournaments and all club activities. Any serious misbehavior will be dealt with immediately.

11. Parents shall openly support and uphold this code of conduct policy and take actions and steps to ensure other parents follow and uphold this code of conduct policy. VVC will have a 24-hour rule for conversations regarding play time, coaching choices etc. at all events.

I have read and agree to comply with the Parent/guardian Agreement.
